Croatan High School, a successful community of scholars and leaders, encourages unparalleled student growth through compelling opportunities and innovative use of resources.

Our mission is to ensure that our students learn the skills necessary to become life-long learners who are productive members of society.

Core Values:

1. Student learning is the chief priority for Croatan High School.
2. Teachers, administrators, parents and the community share the responsibility for advancing Croatan High School’s mission.
3. The commitment to continuous improvement is imperative if Croatan High School is going to enable students to become confident, self-directed, life-long learners.
4. A safe and physically comfortable environment promotes student learning.
5. Each student is a valued individual with unique physical, social, emotional and intellectual needs.
6. Curriculum and instructional practices incorporate a variety of learning activities to accommodate differences in learning styles.

**School Goal 1:** Increase rigor and relevance in course content.

- Use EVAAS data to discover potential instructional challenges at all levels; solve. Use data to place students more accurately in appropriate leveled courses.
- Use data to rearrange variables such as scheduling, course sequencing, and teaching assignments for continuous improvement.
- Understand the access and applicability to stakeholders of longitudinal data in PowerSchool.

**School Goal 2:** Improve meaningful communication with stakeholders.

- Formalize Best Practice in Teacher Communication to Stakeholders.
- Establish procedures for communication with the Alternative Learning Center (ALC) on student accommodations.
- Improve use and functionality of media center sign ups through Google Docs.

**School Goal 3:** Evolve high-quality models of professional development.

- Embrace the spirit of formalized teamwork and collaboration to solve problems by developing and adhering to a routine meeting schedule.
- Evolve PLCs by course, by discipline, and by global concerns. Collaborate with county-wide peers.
- Utilize highly trained staff members to learn from one another through planned professional development opportunities throughout the school year that target 21st century skillsets and new, evolving models of professional development.
